## Privacy notice for the school workforce

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school.

We, **Park Street Church of England (VA) Primary School, Lower Park Street, Cambridge, CB5 8AR**, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Nicola Cook (see 'Contact us' below).

### The personal data we hold

We process data relating to those we employ, or otherwise engage, to work at our school. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Contact details
- Date of birth, marital status and gender
- Next of kin and emergency contact numbers
- Salary, annual leave, pension and benefits information
- Bank account details, payroll records, National Insurance number and tax status information
- Recruitment information, including copies of right to work documentation, references and other information included in a CV or cover letter or as part of the application process
- Qualifications and employment records, including work history, job titles, working hours, training records and professional memberships
- Performance information
- Outcomes of any disciplinary and/or grievance procedures
- Absence data
- Copy of driving licence
- Photographs
- Data about your use of the school's information and communications system

We may also collect, store and use information about you that falls into "special categories" of more sensitive personal data. This includes information about (where applicable):

- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Trade union membership
- Health, including any medical conditions, and sickness records

### Why we use this data

We process personal data relating to those we employ to work at, or otherwise engage to work at our school. We also have legal obligations. The main pieces of legislation are:

- Section 5 of the Education (Supply of Information about the School Workforce) (England) Regulations 2007 and amendments.

The purpose of processing this data is to help us run the school, including to:

- Enable you to be paid
- Facilitate safe recruitment, as part of our safeguarding obligations towards pupils
- Support effective performance management
- Inform our recruitment and retention policies
- Allow better financial modelling and planning
- Enable equalities monitoring
- Improve the management of workforce data across the sector
- Support the work of the School Teachers' Review Body
- Support the health and welfare of the workforce

### **Our lawful basis for using this data**

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Fulfil a contract we have entered into with you
- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

### **Collecting this information**

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

### **How we store this data**

We create and maintain an employment file for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment.

We hold workforce data for varying lengths of time depending on what the information is.

Below is an outline of the retention periods for different types of data.

- **Job candidates:** 6 months after the end of the recruitment campaign
- **Workforce:** 6 years after the end of employment, except for;
  - records which are solely for business operation (such as emergency contact and bank account details) which will be deleted within one month of their last required use and;
  - records which are retained solely for the purposes of providing employment references which will be retained

## Data sharing

Where it is legally required, or necessary (and it complies with data protection law), we may share personal information about you with:
