The Chair (or the Vice-Chair if the Chair is absent) may take urgent action in circumstances where a delay may be seriously detrimental to the interests of:

- the school;
- any pupil at the school (or their parent);
- any person who works at the school.

A meeting can be called in less than 7 days in an emergency and therefore 'delay' should be interpreted as anything that cannot wait until such a meeting could be called.

Emergency action should only be used in extreme circumstances.

## 3. Appointment and Removal of the Clerk to the Governing Body (Regulation 10)

The Governing Body shall appoint the Clerk to the Governing Body and it can remove a Clerk by resolution. The Clerk to the Governing Body must not be:

- A governor;
- Headteacher of the school.

The Clerk to the Governing Body must:

- a) convene meetings by circulating the agenda (Regulation 13);
- b) attend meetings of the Governing Body and ensure minutes of the proceedings are produced;
- c) maintain a register of members of the Governing Body and of associate members and report any vacancies to the Governing Body; and
- d) perform such other tasks as may be determined by the Governing Body from time to time.

[In an emergency a governor (not the headteacher) may clerk for that meeting only].

A full job description for Clerks is available from the Local Authority or from the Department for Education website.

'Other tasks' might include meeting with the headteacher and Chair to plan a schedule of work or individual meeting agendas. (If this is not part of an SLA it may require negotiation and extra payment).

The Governing Body may need to seek HR advice from their personnel provider if the Clerk is employed directly by the Governing Body.

Y

Name of Clerk: Natalie Lealand

Refer to agreement with Clerk if additional other tasks have been negotiated

Clerks for Committees will be decided by the committee and may be a governor on that committee, but not the Headteacher.

#### 4. Meetings and Proceedings of the Governing Body

##### Right to attend meetings (Regulation 12)

The following persons have a right to attend all meetings of the Governing Body:

- Headteacher (whether or not that person is a governor);
- All governors (unless suspended);
- Clerk to the Governing Body;
- Associate members of the Governing Body (unless the Governing Body requires them to leave for items relating to an individual member of staff or pupil);
- In certain circumstances the Local Authority may also have a right to attend.

The Governing Body decides whether to have associate members and who they shall be. The Governing Body can also remove associate members. Associate members have voting rights on committees where they are members.

The Local Authority must be invited to the meeting and sent an agenda where the governing body is considering changing the category of the school.

##### Convening meetings (Regulation 13)

There must be at least 3 meetings of the full Governing Body each school year.

Meetings of the full Governing Body must be convened by the Clerk.

The agenda shall be sent to the governors at least 7 days before the meeting.

Governing bodies are required to be open and transparent and so should allow observers as a matter of principle. Observers are required to remain silent unless specifically invited to speak by the Chair. Observers must leave the meeting for any confidential items. The Governing Body may invite other persons to attend at their discretion.

Most schools hold six meetings per year but this depends on the way in which a Governing Body and its committee meetings are organised. Fewer meetings of the full Governing Body may be appropriate if more responsibilities are delegated to committees.

Ideally items for the agenda should be notified to the Chair or Clerk two weeks before the meeting.

**N-** Meetings will not be open to the public unless by prior agreement.

The names of associate members and the committee to which they have been appointed must be recorded in the minutes.

Number of planned meetings per term  
FGB (Foundation)

Autumn 2 (1)  
Spring 2 (1)  
Summer 2 (1)

The minimum time before meetings that papers must be made available to all governors is: 7 days

**Governors failing to attend meetings**

A governor who without the consent of the Governing Body fails to attend full Governing Body meetings for a period of 6 months is disqualified (refer to The School Governance (Constitution) (England) Regulations 2012: Schedule 4 Paragraph 9).

The regulations no longer specify 'reports and papers'. However, we strongly recommend all papers are circulated in advance to make the best use of everyone's time at the meeting. It is recommended that papers are only tabled at meetings in exceptional circumstances.

A record (in the minutes of the meeting) of Governing Body consent or otherwise for absence is essential in order to invoke disqualification.  
If no apology is received then consent cannot be granted.

Exceptional circumstances that the governing body may accept for the tabling or late circulation of papers are restricted to:

- an issue that could not be foreseen which requires urgent discussion
- illness of the paper's author
- Headteacher workload

If the late or tabled paper must be dealt with before the next scheduled meeting, an extra meeting of the Governing Body may also be arranged at a date convenient to the majority of governors, or it may be delegated to a committee or working group.

**Y** - Agreement, or otherwise, of absence is a standard item on the Governing Body agenda? This decision can be recorded under apologies for absence

**5. Quorum (Regulation 14)**

For full Governing Body meetings the quorum needs to be calculated as 50% of only those governors in post, rounded up to the nearest whole number. Vacancies need no longer be included in the calculation.

Associate members must not be included in the calculation for quorum.

If the Governing Body is carrying a large number of vacancies resulting in a very low quorum it is recommended that governing bodies try to ensure that attendance is generally above the minimum quorum level.

The Quorum for the Governing Body is 50% of those governors in post, rounded up to the nearest whole number. Associate members are not counted. The clerk should remind the governing body of the current quorum at the start of the meeting, and at any point where the governing body is not quorate during a meeting (e.g. if a governor needs to leave due to a conflict of interest)

**Remote participation**

The Governing Body may approve alternative arrangements for governors to participate or vote at meetings of the Governing Body including but not limited to telephone or video conference.

While having the flexibility to agree to remote participation in meetings may be useful in exceptional circumstances, the benefit of having everyone discussing an issue in the same room should not be undermined by too many governors, taking part remotely, too often.

Consideration need to be given to the chairing and clerking of the meeting.

Hearing the views of other governors in the meeting is necessary to arrive at a considered view. Telephone or video conference enables the remote governor to hear views; but we recommend that written or email voting in advance of discussion is not permitted.

Practical issues will need to be agreed, such as:

- What is the maximum number of governors who could participate remotely at a meeting and for it not to adversely affect the meeting?
- Do you have the appropriate equipment?
- How frequently an individual governor can participate remotely?
- How will a governor seek agreement to participate remotely before a meeting?
- Will your allowances policy include the payment of telephone calls or other costs incurred by governors?

The Governing Body approves in principle remote participation in meetings

Remote participation should be through the school's MS Teams or Zoom videoconferencing (to be confirmed prior to meeting).

If a governor or clerk wishes to use this when a face-to-face meeting is being held, then they need to inform the clerk or chair ahead of the meeting. This will only normally be expected to happen when a Governor may have a communicable disease, or is unexpectedly detained in a remote location.

**6. Voting (Regulation 14)**

All matters are decided by a majority vote. In the event of a tie the Chair (or Acting Chair) has an additional (casting) vote. An exception is in the election of the Chair or Vice-Chair – when it is decided by chance, eg tossing a coin.

**Y**

**7. Minutes and Papers (Regulation 15)**

Minutes should be prepared by the Clerk and signed minutes must be available for public inspection.

[Excluding confidential items:

- items which refer to an individual parent, pupil or member of staff
- other items the Governing Body deems confidential]

Draft minutes that have been approved by the Chair should be made available as soon as possible after the meeting. These should be marked 'DRAFT - subject to change'.  
[Excluding confidential items]

Confidentiality should be restricted to a few very sensitive items.

The way individual governors vote, and their opinions should be regarded as confidential.

The Governing Body's minutes will be available once approved (normally at the next meeting):

- On the website
- From the school office

Draft copies will be available to governors from the school's Teams website as soon as they are available.

Confidential Minutes will not be published on the website

**8. Restrictions on Participation (Regulation 16 & Schedule 1)**

Governors must complete annually a register detailing pecuniary interests or conflicts of interest and withdraw from the meeting if appropriate.

Each governor must declare at the start of any meeting if there is an item on the agenda which poses a potential conflict of interest or where a fair hearing is required and their impartiality is in doubt. In such a case, the governor concerned must withdraw from the discussion and may not vote. In the event of a dispute the Governing Body decides whether the individual should withdraw.

An annual register of interests must be established and updated annually.

**Y** - Date for annual update of register: 1<sup>st</sup> meeting of the Governing Body each academic year

The register is made available on the school website.

**9. Suspension of Governors (Regulation 17)**

A Governing Body can suspend a member of the Governing Body for a limited number of prescribed reasons for a period not exceeding 6 months (refer to Regulations).

This should be used as a last resort.

**Y** - The Code of Practice is adopted by all governors.

**10. Delegation to Committees and Individuals (Regulations 18-20)**

The full Governing Body, in accordance with regulations, must annually decide any delegation to committees or individuals.

These requirements do not apply to other working groups without delegated powers.

The Governing Body shall establish every year such committees as are required in accordance with the regulations.

**Reporting (Regulation 20)**

Any governor, headteacher or committee who has been given delegated authority to carry out a Governing Body function must report any decisions or actions to the Governing Body.

**Quorum (Regulation 22)**

The committee shall decide the quorum which must be at least 3 governors.

**Chairing (Regulations 22)**

A Chair shall be appointed annually to each committee by the Governing Body or elected by the committee, as determined by the Governing Body.

**Associate Members (24)**

The Governing Body must agree which committees associate members are members of. Where associate members are members of a committee they have voting rights. But may be excluded from any confidential item concerning a member of staff or pupil.

Refer to Regulations/Staffing Regulations.

It is recommended that all working groups have terms of reference.

That committee minutes appear on the agenda of the Governing Body and are recorded by the Clerk as being 'received and noted'.

All governors should be notified of the committee agendas and be able to contribute in writing or by attending with the permission of the committee chair.

If the Governing Body takes care in selection of Chairs of committees it helps succession planning by giving selected governors practice at chairing.

The school operates on the Circle Model of governance. Working groups are formed to report to the full governing body on matters as decided on the first full governing body meeting of the year.

There is a Foundation Committee with full terms of reference.

**Y**

**Y** – The quorum is defined in the terms of reference of any committee and must be at least 3.

**Y** - All committee meetings open to all governors

**Y** - Chair of committees will be chosen by the:

- Committee members

**Y**- Associate Members will be selected if required and will have voting rights on any committee.

**Clerking (Regulation 26)**

All committees must be clerked but this can be undertaken by a governor who is a member of the committee or an associate member. The headteacher is not permitted to clerk a committee.

Seven days notice must be given for all committee meetings and agendas circulated.

**Governors' Allowances (Regulations 27-30)**

The Governing Body cannot pay allowances unless it has an agreed policy.

Minutes of all committee meetings to be circulated to all governors.

Confidential minutes are confidential to those present at the meeting only.

Delegated decisions taken by committees should be reported to the Governing Body but not re-debated except where a rescission is being considered.

It is recommended that the Governing Body appoint and pay a trained Clerk (or receiving training).

While we recognise that many governors will be reluctant to claim allowances, it is important to acknowledge that some people may be discouraged from volunteering their time to become governors if they cannot afford the extra expense.

An Allowances Policy will define:

- The circumstances when expenses will be paid
- The expenses that will be covered
- Amounts and limits on what can be claimed

**Y** - Clerking arrangements will be set out in the committee terms of reference.

Delegated decisions will be reported to the full governing body and not re-debated unless a rescission is being considered.

The governing body does not have an Allowances Policy

While the Governing Body does not pay allowances, it reserves the right, upon agreement of the governing body, to adopt an Allowances Policy if it is felt that this would encourage new governors.

**11. Composition and membership of the Governing Body – The Constitution of Governing Bodies of Maintained Schools Statutory Guidance**

All governing bodies are responsible for their size and composition. Governing bodies should ensure that it has the required skills and knowledge to be effective and dynamic.

Effective governing bodies will:

The same information needs to be disclosed for associate members making it clear if they have voting rights on a committee

This should include:

- the structure and remit of the governing body and any committees, and the full names of the chair of each;

**15. Removal of Appointed Governors – The School Governance (Constitution) (England) Regulations 2012**

Regulations 20 to 25 give the procedures for the removal of appointed governors: foundation, ex officio, appointed parent, partnership and co-opted governors. All appointing bodies have to allow the governor who the proposal is to remove, to have a right of representation. For co-opted governors the procedure is as follows:

- A clear proposal to remove at a governing body meeting
- An opportunity for the governor to respond
- A vote on whether to remove or not
- If the vote is to remove, a second meeting must be held after at least 2 weeks and where the proposal and response is considered again
- If the second decision is to remove, the governor is removed

This action should only be used as a last resort when there has been an irretrievable breakdown in trust between the governor and appointing body. Governing bodies are recommended to have clear, agreed expectations about the conduct of governors in a written document. All new governors must be made aware of the conduct expected and existing governors reminded on an annual basis.

Y – Code of Practice for Governors which is reviewed annually and given to all new governors on induction.

**16. Removal of Elected Governors – The School Governance (Constitution) (England) (Amendment) Regulations 2017**

The amended regulation 24a applies to elected parent and staff governors. The governing body has to use the same procedure outlined in Regulation 25 of the 2012 regulations.

- A clear proposal to remove at a governing body meeting
- An opportunity for the governor to respond
- A vote on whether to remove or not
- If the vote is to remove, a second meeting must be held after at least 2 weeks and where the proposal and response is considered again
- If the second decision is to remove, the governor is removed

Once an elected governor has been removed, they are disqualified from becoming a governor for a period of 5 years.

This action should only be used as a last resort when there has been an irretrievable breakdown in trust between the governor and appointing body. Governing bodies are recommended to have clear, agreed expectations about the conduct of governors in a written document. All new governors must be made aware of the conduct expected and existing governors reminded on an annual basis.
