

PE and School Sport Action Plan

Park Street Church of England Primary School 2020–2021

Background - The primary school sport premium investment goes direct to primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport.

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Funding - Individual schools will receive circa £16K –17K per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

The total funding for the academic year	2020-21	Funding - £16,950
Lead Member of Staff – Sarah Hawker		Governor responsible – Nigel Moorhouse
Allocated so far £12,844	To be Updated – Jan/Feb 2021	

Key achievements to date:

- Outdoor Classroom area designed and developed for the use of EYFS and KS1 children to improve opportunities for engagement in physical activities. This area includes a small climbing frame, and equipment for large-scale building (planks, tyres, crates) to increase the development of gross motor skills (1). A wider range of physical activity is offered than previously (4) EYFS and KS1 staff have broadened their knowledge of appropriate provision for physical activity for this age-group (3)
- This facility and it's use by pupils has raised the profile of physical activity for these children amongst the whole school community (2). This provision has been recognized by the LA Head of Service as having been a successful tool for whole- school improvement (2)

Areas for further improvement and baseline evidence of need:

- To ensure there is continuity and progression in the delivery of curriculum PE and there is an engaging, broad and balanced curriculum in place (2/3/4)
- To introduce a variety of programmes to increase the number of children active for 30 active minutes. Eg iMoves (1)
- To improve the KS2 playground area to ensure it is engaging and children have equipment to use which increases their physical activity (1)
- To upskill key members of staff within the school to increase knowledge and understanding in the delivery of PE school sport and physical activity (2/3)
- To upskill pupil leaders within the school to promote health and well-being (1).
- After Covid-19 restrictions finish, to offer opportunities for pupils to engage in competitions and festivals with other local schools (5).
