Park Street Newsletter

With only two weeks to go before the end of term it certainly has felt that this term has flown by. The students continue to enjoy (with varying amounts of enthusiasm!) their topic work and I know each class has seen some real success in developing writing, particularly the amount pupils write in a session. The nicer weather means we can get out and about a bit more, with most students really enjoying the open space. We have seen more and more pupils engaging in their own conflict resolution and making sensible suggestions on how to play sensibly together. A big thank you to all of class 2 for being so welcoming to a new student this week. Your kindness is very much appreciated.

Tag Rugby

The Park Street Tag Rugby team managed a very commendable 4th place finish at the Cambridge Schools tournament on Thursday. I know Miss Du Toit was very pleased with their teamwork, attitude and skill level. It was clear that the regular lunchtime practices are benefiting the pupils and I know that they were disappointed to miss out on a medal place. On a personal note, I was delighted to hear they beat the Colville Team (my other school) and I will enjoy the bragging rights in the staffroom next time I'm over there. Well done to all ten of you!

Golden dustpan and brush

We have launched a new award – complete with an actual golden dustpan and brush. This will be awarded to the tidiest classroom each week and is decided on by Trish, our school cleaner. The first winners of the award are Class 3, well done! The prize of being first out of assembly on a Friday and Monday, is yours for one week.

Mother's Day

Class 1 and class 2 would love to invite their mums to our Mother's Day tea on Friday 29th March at 2.30 in the hall. If, due to circumstances or commitments, you'd like to have someone else attend instead, they will of course be most welcome.

Final thoughts

It may be worth checking your child's hair as we have got head lice in school at the moment.

Don't forget the PTA have their egg decorating competition on the go at the moment. I am judging the results and there will be a winner from each class. Best of luck to all who enter!

Kind regards to all,

Daniel Watkins
Interim Headteacher
