The Core Values of
Park Street School

Summer Week Ten Newsletter

Dear Parents/Carers,

Many thanks to those who were able to attend the International afternoon. The children thoroughly enjoyed their "trip" around the world discovering different things about the countries the other classes were learning about.

On Thursday Linda Russell conducted our SIAMs inspection, looking at the 7 strands of the SIAMs framework. The staff and pupils all worked hard on the day to give a good impression of Park Street as a Church School. I would like to thank the governors and parents who also helped with the preparations and process. We should receive the report after ten working days.

Best wishes,

Mr Brown
